For 1954

fall planting

Our 27th Year

For over a quarter of a century at Conley's Blossom Farm we have been shipping spring flowering bulbs to our good customers all over the United States. During all that time we have striven to treat our customers as we would like to be treated — supplying the best of bulbs and giving fair, honest value and service.

That we have been at least partially successful is shown by the large number of gardening friends who obtain their fall bulbs from us year after year.

If you have not bought bulbs from us we would appreciate having an opportunity of serving you. We will do our utmost to fill your order to your complete satisfaction. If the bulbs do not prove completely satisfactory we will replace them or refund your money. That is our guarantee to you.

BLUE RIBBON

Very few of the bulb flowers have the strong appeal of the Dutch Iris because few if any are more beautiful or satisfactory. As cut flowers they are artistic and long lasting. In the garden they take over as the tulip season ends. The quality of the bulbs is most important with Dutch Iris and you may be sure that Conley's spare no effort or expense to supply top quality disease-free stock. With good bulbs the Dutch Iris are easy to grow, the culture being much the same as for tulips.

DAFFODILS

Conley's Superior

PACIFIC NORTHWEST GROWN DAFFODIL BULBS . . . THE WORLD'S FINEST

The daffodil bulbs grown here in Western Oregon and Washington are superior in all respects to those produced elsewhere. Large, firm, smooth, disease-free bulbs that will thrive better in your garden and produce better flowers. Of the superior Northwest bulbs we supply the finest grade—the big double nose bulbs that give two or more flowers the first spring. The list of varieties has been chosen with great care to give you daffodils in wide varieties but all of highest quality.

LARGE TRUMPET DAFFODILS

ALL WHITE

BEERSHEBA. One of the most beautiful daffodils. As shown in the illustration the whole flower is pure white and the form is near perfect—long narrow trumpet backed by a fine over-lapping perianth. Because of its splendid substance the medium early flowers last a long time. Each 60c, 3 for \$1.65, 12 for \$6.00.

MOUNT HOOD. A new white daffodil that has become very popular because of its giant size, pure whiteness and strong vigorous growth of flower and foliage. Each 50c, 3 for \$1.40, 12 for \$5.00.

MRS. E. H. KRELAGE. Often called "The White King Alfred." The large flower has a pale yellow trumpet at first but later the whole flower becomes uniform ivory white of waxy texture. 3 for 65c, 12 for \$2.40.

MRS. E. H. KRELAGE

ALL YELLOW

DIOTIMA. A real giant daffodil but well proportioned and graceful in spite of the huge size. The star shaped perianth is 5 to 6 inches across. The whole flower is deep primrose. Early. New low price. Each 35c, 3 for \$1.00, 12 for \$3.50.

FEBRUARY GOLD. Like a small trumpet daffodil. Very early. See page 5.

GOLDEN HARVEST. The largest of the extra early daffodils, earlier and larger than King Alfred but having stems that are not so tall or strong. Well formed deep yellow flowers. 3 for 65c, 12 for \$2.35.

KING ALFRED. (See column 1 on this page.)

SUCCESSOR. The latest yellow daffodil that we know. A splendid flower of remarkably good texture. Deep golden yellow. 3 for 55c, 12 for \$2.00, 100 for \$15.00.

UNSURPASSABLE. New. A giant daffodil from Holland and one of the best. Beautifully formed flowers, deep yellow throughout, on tall strong stems. Early. Each 30c, 3 for 85c, 12 for \$3.00.

BI-COLOR

QUEEN OF THE BICOLORS. A strong and vigorous variety that produces large long lasting flowers early in the season. Broad pure white perianth and deep yellow trumpet. 3 for 70c, 12 for \$2.50.

THE PINK DAFFODIL

MRS. R. O. BACKHOUSE. This is the "Pink Daffodil", and with us here in the Northwest it certainly is pink. When the flower opens the trumpet is amber in tone but the yellow soon disappears leaving a beautiful clear shell pink coloration. While the flower has a delicate appearance it really is long lasting. Delightful cut flower. Each 30c, 3 for 85c, 12 for \$3.00.
